Work Days: Wednesdays and Saturdays are work days starting this Wednesday, April 4th. We have some bridge work, bunker repair, target banding, block painting, and branch cleanup, fallen tree removal, bow hanger repair, etc to prepare for the upcoming leagues and shoots. There will be a list hanging up on the board visible from the outside of the clubhouse that you can start working on if you are there before the clubhouse is opened.

Youth League: Youth league will begin on Monday, April 16th. In order for the league to be a success we need all the volunteers we can get to help with the kids. This program serves over 50 children each year, teaching the skills and safety of the sport of archery. In order to continue this program, we need members to volunteer their time and talents to this program. If you are available to volunteer, please come to the clubhouse on any Monday possible between April 16th and May 21st. Even if you are not available until later in the night, your time would still be needed and appreciated. Any Monday that you are able to volunteer would be greatly appreciated! If you have any questions, please contact Tammy Hilmanowski at thilmanowski@riverlandenergy.com.

Spring 3D Shoot: Our Spring 3D Shoot is Saturday, April 28th this year. We welcome you to come shoot as a Youth, Traditional, Hunter, or Challenge shooter for \$10 per round. Participants may shoot a second round for \$5 if they wish. Children under age 14 shoot for free. Volunteers are always welcome as well!
